

Confirm Before Close the Browser

BeforeUnload()

```
$(document).ready(function () {  
    $(window).bind("beforeunload", function () {  
        return confirm("You are about to close the window");  
    });  
});
```

```
$(document).ready(function () {  
    window.onbeforeunload = function () {  
        $.ajax({  
            url: "http://localhost:51685/api/LogInn/LogOut" + "?UserId=" +  
localStorage.getItem("CurrentUserId"),  
            type: 'GET',  
            async: false,  
            timeout: 4000  
        });  
        var hj = "hju";  
    };  
    localStorage.removeItem("CurrentUserId");  
});
```
